

American Standard®

HEATING & AIR CONDITIONING

American Standard owners have **saved** an average of

50% per year

Savings based on customers who currently have a 10 SEER unit.

Silver 13 Air Conditioner

Why we love this product.

- Excellent efficiency
 - Single-stage cooling and consistent comfort
 - Quiet operation

*With the Silver 13 central air conditioning unit, you do not need to sacrifice impressive comfort for energy savings. This A/C system's design provides your home with the reliable cooling you would expect from American Standard and the efficiency you deserve from a new central air conditioning unit.

Silver 13 Air Conditioner Highlights

- By surpassing government efficiency standards, you can save up to 38 percent on your cooling energy usage while reducing greenhouse gas emissions* with this central air conditioning unit.
- This central air system's design is an economical option for efficient and reliable cooling.
- Cools with an environmentally friendly refrigerant that is ozone-safe.
- This A/C unit's rust-resistant coating, screws and basepan protect your system from the elements.

Warranty

For information on limited warranty terms for your existing product, please refer to your owner's manual or view a copy of our warranty booklet.

Beginning May 1, 2009, Registered Limited Warranty terms are available if the product is registered within 60 days of installation. Registration can be completed either online at americanstandardair.com or by calling 800-554-8005. American Standard Heating & Air Conditioning's Registered Limited Warranty terms on this product include:

- 10-year limited warranty on compressor.
- 10-year limited warranty on coil.
- 10-year limited warranty on internal functional parts.
- If the product is not registered within 60 days of installation American Standard Heating & Air Conditioning's Base Limited Warranty terms will apply.
- An option to purchase transferability of your Registered Limited Warranty is available. Visit our [Warranty + Registration](#) page for more information.
- Optional Extended Warranties available. Extended Warranties can pay for labor and other costs not covered by manufacturer's limited warranty.
- Ask your dealer for full warranty information at time of purchase. Warranties are for residential use only, some exclusions may apply.

Buy An American Standard ENERGY STAR® Air Conditioner to save you money!

An American Standard ENERGY STAR certified central air conditioner (A/C or "central air") uses **8% less energy**, on average, than a standard model. Central air conditioners that have earned the [ENERGY STAR Most Efficient](#) designation are the best of the best – they'll save you even more energy.

It is important to remember, though, that replacing an air conditioner that is over 10 years old can easily save you upwards of 20%. Saving energy saves money and reduces your carbon footprint.
